Before you go:

Please read this before you go. Protect your ticket/QR Code. You MUST bring this ticket in paper form or on your smartphone and present it at the park entrance. Each QR code can only be used once, so please do not make copies. We will refuse parking and/or entry to anyone presenting a QR code that has previously been used. It is NOT the responsibility of the employees at the entry points to prove whether a QR code has already been used. The Department of State Parks and ProPark are not responsible for misprints or errors. If a QR code displays that it has been previously used or is invalid, you will be turned away. You may return to the website to challenge the validity of your ticket. If the error is deemed to be on the operator or the website, a full or partial refund will be offered. But no other compensation will be made.

For Parking, vehicles must arrive within the first 30 minutes of your reservation period.
