York University

Lassonde School of Engineering
Department of Electrical Engineering and Computer Science

EECS 1520 3.0 - Computer Use: Fundamentals

Fall 2015 Final Examination

Monday, December 21, 2015

Instructions:

1. York University examination rules are in effect.
2. **Answer ALL questions by filling in the appropriate letters on the answer sheet provided using a pen or an HB / No. 2 pencil.**
 - **Your answers are machine marked so be sure to fill in the bubbles very carefully.**
 - **Also circle your answers on the examination paper as backup.**
3. **No aids allowed.** In particular, the use of calculators or other electronic devices is **NOT** permitted. If you are caught using such a device, you will be prosecuted for cheating.
4. There are XX pages (including cover page) with 100 equally-weighted questions. Check that your question paper is complete.
5. The time allowed is 3 hours.
6. **Be sure your student number is coded correctly on the Scantron sheet.**
7. **Both the question sheets and the answer sheet must be submitted together.**
