Week 02 Lab Exercise

- **Due Date:** Monday, January 21, 2013, 11:59pm
- **Course Weight:** 1%, evaluation by pass/fail
- **Topic:** Getting Familiar with 2D Graphics

Your work must be submitted electronically using the "submit" command (instructions follow).

Submissions must NOT BE emailed to the instructor or the TAs. **Emailed submissions will not be marked.**

Overview of Tasks

1. Be sure to have reviewed the materials from Class Meeting 05
2. Be sure to attend the lab with the TA. We are moving aggressively through the Graphics2D class services and in-lab support from the TA will be crucial to your success.
3. Complete all lab exercises (Exercises01-Exercises05).
The exercises can be found as an archived Eclipse project on the course website
