EECS 3401.03
Artificial Intelligence and Logic Programming

Instructions for in-class exams and, except for length of the exam, instructions for the final exam. It is suggested you familiarize yourself with the instructions.

Instructions

Ques	Max	Mark
1	9	_____
2	9	_____
3	9	_____
4	9	_____
5	9	_____
Total		_____
Letter grade		_____

1. The exam time is approximately 75 minutes (in-class exam), 3 hours (final exam).

2. This is a closed book examination. No examination aids are permitted – no paper, calculators, telephones, etc.

3. All questions are to be attempted.

4. Answer each question in the space provided.

5. Each question is evaluated on the York University letter grade scale A+, A, ..., D, E, F.

6. Where descriptive answers are requested, use complete sentences and paragraphs.

7. All programming and mathematical work is to include comments explaining what you are doing.

8. To increase the effectiveness of your answer use annotated diagrams and examples.

9. If a question is ambiguous or unclear then please write your assumptions and proceed to answer the question.

10. You may write in pencil but in-class exams written in pencil are not re-evaluated.

Number of questions can vary
