

Glade Manual: Chapter 3

Visualizing a cascaded IF function

```
=IF(condition #1, alternative #1,  
    IF(condition #2, alternative #2,  
        IF(condition #3, alternative #3,  
            IF(condition #4, alternative #4, alternative #5))))
```

Visualizing the LOOKUP function

LOOKUP

=LOOKUP(lookup_value, lookup_vector, result_vector)
