

EECS3342 (Section E) Fall 2024  
Guide to Final Exam  
WHEN: 19:00 to 22:00 (3 hours), Sunday, December 15

- This exam is an in-person, written test accounting for 50% of the course grade.
- The exam will take place in **TC SOBEYS**.
- You will be given both a question booklet and an answer booklet.
  - Only answers written in the answer booklet will be graded.
  - The question booklet will include extra pages for sketching.
- You are not allowed to bring extra sketch paper.

## 1 Missing the Exam?

- If you have a legitimate reason to miss the exam, you must:
  - **Prior to** or **on the day of** the exam (December 15), contact your instructor *for approval*; **and**
  - By the end of **December 16**, submit an exam deferral form to the undergraduate office ([ug@eecs.yorku.ca](mailto:ug@eecs.yorku.ca)) and also forward a copy to your instructor.
- Should your request of exam deferral be **submitted in time** and **approved**, please understand that:
  - It will be an exam that is sufficiently different to ensure fairness.
  - It will take time for this deferral exam to be ready, so if you are allowed to take the deferral exam, the deferred exam will take place at sometime either before the December break or during the Winter semester in 2025.

## 2 Rules

Please:

- Answers must be written in **black** and/or **blue** to be graded.  
Answers written in other colours (e.g., red, green, orange, purple) will receive an immediate **zero**.
- **No** calculator is allowed.
- Your mobile phone must be stored in your bag, which should be placed underneath the table.
- Only keep the following items with you on the table:
  - A **one-sided**, letter-sized data sheet is allowed. There is **no** constraint on the margin size.

- \* Contents on the data sheet can be composed of computer-typed and/or hand-written notes, diagrams, and screenshots.
- \* All texts must have a font size larger than or equal to 10pt.

*This text is in font size 10pt, and texts on your data sheet **must not** be smaller than this.*

Please adhere to the above requirements, or your data sheet will **not** be allowed for use and returned at the beginning of the exam.

- Stationary (e.g., pencils, eraser, ruler)
- Photo ID (YU Card ∨ Driver's License ∨ Health Card ∨ Passport)

If none of the above-listed IDs is available, you will be **denied** to take the exam.

- Wallet (if you wish)

### 3 Coverage for the Test

This is a *cumulative* exam, covering **all** study materials. See:

- [https://www.eecs.yorku.ca/~jackie/teaching/lectures/index.html#EECS3342\\_F24](https://www.eecs.yorku.ca/~jackie/teaching/lectures/index.html#EECS3342_F24)
- Lab1, Lab2, Lab3, Lab4, Lab5

### 4 Format

- Most of the questions will require hand-written answers (e.g., explanations, justifications, proofs).
- You may be asked to write answers in either the ASCII form (of Rodin syntax) or the math form (put reminders on your data sheet if necessary).

### 5 Study Tips for the Exam

- Go through the lecture and lab materials to review the concepts and examples. Re-watch parts of the lecture videos if necessary.
- Review the concepts covered in the written and programming tests.
